

Ultralite OmnicovR

8' x 10'

use as a

- ◆ GROUND COVER
- ◆ RAINFLY
- ◆ FOOTPRINT

Made of 100% DuPont™ Tyvek® style 10GX

Original Ultralite OmnicovR®

8' x 10' | Total weight 1 lb. | 1.9 oz.

Chances are good that you've come across hard-structure (paper like) Tyvek®. The most common examples are FedEx® envelopes, USPS mailers, and DuPont™ Tyvek® HomeWrap™. Tyvek® has a paper-like rigidity with a smooth slick surface.

Material Concepts also sells fabric styles of Tyvek that are metalized and ideal for bivy sacks. Call us for a free sample.

BUY ONE FOR
\$19.99

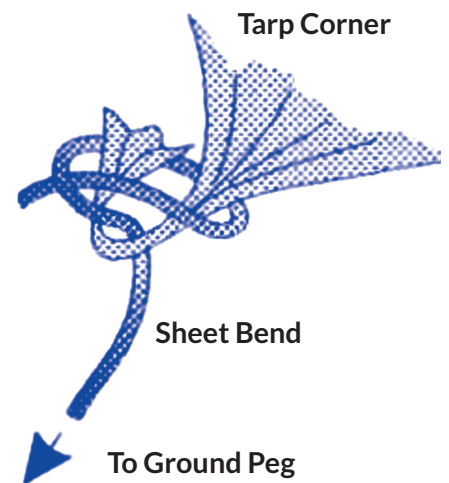

BUY TWO OR MORE
\$14.95 each

Helpful tips to enjoy your Ultralite OmnicovR® safely:

- ◆ As with all materials, use caution around the campfire.
- ◆ Hand wash with mild soap. No bleach – or machine wash, gentle cycle, cold water. Drip dry only.
- ◆ Do not put in a dryer or use an iron on Tyvek®.
- ◆ Looking to join two covers together quickly without sewing? Try double-sided outdoor carpet tape – it's strong, waterproof, and can be purchased at your local home improvement store.

DuPont™ Tyvek® is a trademark of DuPont for its brand of protective material.

Sheet bend knots achieve the strongest tie-downs

Tyvek® can be recycled, helping you to reduce waste. It can be processed at centers that recycle flexible HDPE products. Visit materialconcepts.com/recycle
