

# Plotter Pens and Ink

For Lectra, Gerber, Autometrix, Assyst Bullmer, Eastman, Tukatech, Investronica, Ioline, and all other computer-driven plotters.

## Key Features of Fisher Plotter Pens:

- Stainless steel, precision machined socket prevents leaking and oozing, and delivers instant uniform ink flow
- Shelf-life is an estimated 100 years.
- Fisher plotter pens won't stop writing or dry out until the ink is fully consumed.
- No need for capping the pen
- Writes at very high speeds, up to 3 meters per second
- All plotter pens are unconditionally guaranteed

## Inks
